

**Using the Whiteboard**

- Read the directions and the problem to the students.
- Ask students to solve the problem.
- If available, have students use their *SMART Response* remotes to answer.
- If installed, click the *SMART Response* tab, and then start the question to begin voting.
- Tap **Try Another!** to reveal a new problem.
- Guide a volunteer to use the **Pen** to write an estimate, work out the problem in the workspace and then write the answer on the blank line.

Teaching the Math

Encourage students to explain their thinking as they work out each problem.

Answer Key

$$\underline{451} = n \qquad \underline{173} = n$$
