

**Using the Whiteboard**

- Discuss the problem with students.
- Ask a volunteer to use the **Pen** to complete the mathematical sentences.
- Tap **Try Another!** to reveal another problem.
- Discuss the problem with students.
- Ask a volunteer to use the **Pen** to complete the mathematical sentences.

**Answer Key**

$$\begin{aligned}86 \div 2 \\&= (80 \div 2) + (6 \div 2) \\&= 40 + 3 \\&= 43\end{aligned}$$
$$\begin{aligned}208 \div 4 \\&= (200 \div 4) + (8 \div 4) \\&= 50 + 2 \\&= 52\end{aligned}$$
